

LexMundi in the Caribbean

Introducing Lex Mundi

Our member firms in the Caribbean collaborate closely together to provide the highest quality legal service and the most extensive coverage available globally. Lex Mundi's network comprises the top independent (and often the longest established) law firms in their jurisdictions, unified under our rigorous membership standards to deliver exceptional cross-border legal services with local insight and experience.

This guide provides a snapshot of the Lex Mundi member firms in the region as well as how you can easily work across the Caribbean with the confidence of always experiencing the highest quality legal work.

Global reach and local expertise

With a presence in more than 20 countries across the region, Lex Mundi brings together member firms to offer unparalleled cross-border legal services for clients. Coupled with Lex Mundi's global reach, this Caribbean regional presence has deep local experience, ensuring that clients receive nuanced and precise legal advice tailored to the specificities of each jurisdiction.

Consistent quality and standards

Each Lex Mundi independent law firm meets stringent standards and has access to shared processes and digital support tools, ensuring the consistent delivery of integrated, multi-jurisdictional services. Our quality assurance is underpinned by strict procedures and standardized processes, enabling seamless collaboration across borders.

Comprehensive coverage

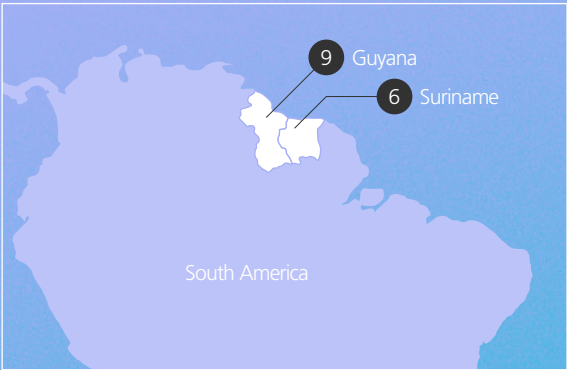

Lex Mundi boasts a more extensive network of lawyers, offices and jurisdictions than any single law firm. This expansive geographical presence allows us to perfectly align with the footprint of our clients or transactions, providing high-quality on-the-ground resources wherever needed in the region.

Convenience and control

Clients can also benefit from Lex Mundi's unique and innovative, multijurisdictional legal service delivery model Equisphere: offering project management, workstream tracking, fee monitoring and coordinated invoicing – all accessible through a single point of contact. The Lex Mundi Global Markets team provides administrative support to develop tailor-made portals and manage engagements, enhancing efficiency and client satisfaction.

In working with Lex Mundi member firms in the Caribbean, clients gain access to the premier global network defined by excellence, consistency and comprehensive legal coverage. Together, we advance the practice of law across borders, delivering outstanding service and innovative solutions tailored to the needs of clients.

Our approach and methodology

Lex Mundi Equisphere is a unique model. It combines the benefits of working with top quality local firms with the convenience and simplicity of dealing with a single entity, providing clients with the best of both worlds.

Global coverage

Leading independent local firms working across 150 jurisdictions. Single firm chosen per jurisdiction, fully-vetted and meeting strict member criteria.

Single point of contact

On the ground engagement led by a lead firm acting as global PMO.

Consolidated reporting

Financial and operational reports, tailor-made as required.

Advanced platform

Visibility and transparency of all work with all firms through online portal.

Ongoing support and quality assurance

Coordination and project management support by Lex Mundi, at no cost.

Streamlined legal advice

Easy access to advice from leading independent firms, across all jurisdictions. Ensures cost efficiencies.

Contact

The Global Markets team at Lex Mundi works directly with member firms in the Caribbean and their clients to bring project management excellence to cross border legal matters – allowing clients access to the right insights, from the right sources at the right time.

With experience across corporate legal, management strategy, project management and technology, the team helps clients avoid the typical frustrations of managing cross border matters.
