## Why choose Lex Mundi?

### Global Expertise

At Lex Mundi, we facilitate access for General Counsel and their teams to over 150 leading independent law firms across the globe. Our network provides access to top-tier local legal advice tailored to the specific needs of an organization's unique global footprint.

### Hands-On Connections

Lex Mundi's privacy and cybersecurity group provides General Counsel and their teams with the opportunity to network with legal professionals in the cybersecurity space, keep up to speed with emerging trends and develop a fresh perspective on this rapidly evolving area of law. This group offers General Counsel the ability to connect through online resources, in-person meetings and webinars.

### Virtual Roundtables

Lex Mundi offers virtual introductory roundtables with member firms in key jurisdictions, enabling organizations to identify future vulnerabilities and blind spots, stay ahead of potential threats and connect with industry leaders.

## 24/7 Incident Reporting

Organizations can develop a structured incident reporting hotline available across regional hubs to ensure immediate and reliable support around the clock.

## Global Cyber Response Force

Regardless of where a cyberattack occurs, Lex Mundi ensures the best local legal support is available through our [Global Cyber Response Force](#).

## Single Contact

Access Lex Mundi's global cyber support through a single point of contact at your preferred firm.

## Seamless Collaboration

Benefit from streamlined engagement and onboarding processes for local counsel, supported by Project Management Office services. This ensures a cohesive and efficient response to any cybersecurity challenge.

## Competitive Pricing

Transparent and competitive pricing allows organizations to manage costs effectively while receiving the highest level of legal support.

By engaging with Lex Mundi and our member firms, organizations benefit from not only legal counsel but also a strategic partner committed to their cybersecurity and overall success.
